## MARIO & VERO (Eng)

**VERONICA:** Mario was a painter for over 30 years. When Mario told me that he was having problems at work, that he was forgetting things, it was difficult. He came home one day and told me, "I was told to paint the inside of the frame, but I painted the outer side."

**MARIO:** I would tell people to tell their family what's happening to them. I want them to support me, to understand me and to love me.
